

Anticipation Guide

Name _____

Date _____

Read each of the following statements about the First World War. Decide whether the statement is true or false, and circle your response on the left side of the page. After you have read the assigned pages of *Shaping Canada*, indicate the correct choices on the right-hand side of the page.

Before Reading		After Reading
True False	1. A major reason for the beginning of the war was that Germany and Britain were competing against each other for territory.	True False
True False	2. At the outbreak of war, Canada was well-prepared to fight.	True False
True False	3. One of the reasons the war was a "world war" was due to the fact that fighting occurred all over Europe, Africa, and Asia.	True False
True False	4. In wartime, only men were required to make big contributions to the war effort.	True False
True False	5. One of the factors that made the war so big was an alliance system that had been designed to prevent war.	True False
True False	6. By the end of the war, almost forty percent of Britain's air force pilots were Canadian.	True False
True False	7. Canadian soldiers gained a reputation as capable and courageous.	True False
True False	8. Ninety percent of the Newfoundland Regiment were killed or wounded in one hour in one battle.	True False
True False	9. The most important battle in helping to win the war was the Battle of Vimy Ridge.	True False
True False	10. Conditions in the trenches were almost as bad as the actual battles.	True False
