

# A Changing Society

Name \_\_\_\_\_

Date \_\_\_\_\_

Following the Second World War, many aspects of Canadian society changed. Use pages 335 to 339 of *Shaping Canada* to study different social characteristics prior to and following the Second World War.

<u>Canadian Society</u>		
Before the Second World War		After the Second World War
Observations	Characteristic	Observations
	Birth Rate	
	Urbanization	
	Immigration and Diversity	
	Housing	
	Rural Life	
	Technology	
	Transportation	
	Resource Development
