

Map of the Seven Oaks Incident, June 19, 1816

Name _____

Date _____

Legend

- A - Where Cuthbert Grant and 60 men leave the Assiniboine River at Catfish Creek (present-day Omand's Creek).
- B - Path followed by Grant and men to avoid Semple's blockade.
- C - Seven Oaks, where Semple and 21 men are killed.

Although Grant and his men had sought to avoid contact with the HBC at Fort Douglas, they were forced to travel closer to the fort than they wanted as rainfall had flooded the land.

Graphic representation only. Approximate scale: 1 cm = 6.5 km
