Group's Goal for Project

Project Self-Assessment Checklist

(continued)

What to Do

- Complete the chart on the next page. Use a check mark (✓) to show how you feel about each statement in the first column of the chart. In the last column of the chart, write a comment to explain why you feel that way.

Statement	I disagree strongly	I disagree	I agree	I agree strongly	Why I agree or disagree
I contributed to group discussions and listened to others in my group.					
My ideas, knowledge, and opinions were important to my group.					
I helped my group solve disagreements.					
I kept our goal in mind throughout our project.					
I fulfilled my role.					
I made sure I prepared what I said I would—and prepared it on time.					
I helped others in my group.					
My material included a variety of media.					
I learned from others in my group and in other groups.					

Project Self-Assessment Checklist

(continued)

Survey

1. How does this group project compare with others you have done? Explain.

2. Suggest some ways you can improve your participation in group projects.
