

Exit Cards: Cells, Tissues, Organs, and Systems

Goal • To summarize what you learned today about a concept in Unit 4.

Exit Card 1

Before you leave class, complete this exit card and return it to your teacher.
In your own words, summarize the most important part of the lesson/topic that we did today. On the back, make a sketch to remind you of this topic.

Exit Card 2

Before you leave class, complete this exit card and return it to your teacher.
Name one positive and one negative thing that happened during group or lab work today.
