

**Goal** • Use this alphabet grid to record what you already know about the concepts in this unit.

### What to Do

Think about what you already know about the topic you are going to study. Write a word or phrase about it, starting with each letter of the alphabet, in the grid below. Try to have a word or phrase for each box or for each letter in each box. When your teacher signals; find a partner. Share responses and copy any new words or phrases to your boxes. Continue switching partners until your teacher signals to stop. Repeat the activity after you have completed studying the topic.
