

Goal • Use this organizer to sketch and write about the 3 most important points you have learned about a topic in this unit.

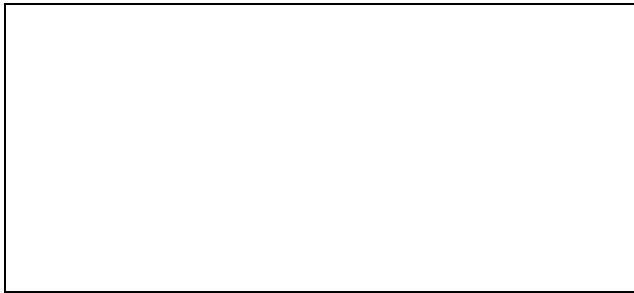

What to Do

Think of the three most important points about the topic provided. Draw a picture of each of these points in the boxes below. In the spaces to the right, explain what is happening in each picture and why it is important. Share your ideas with a classmate.

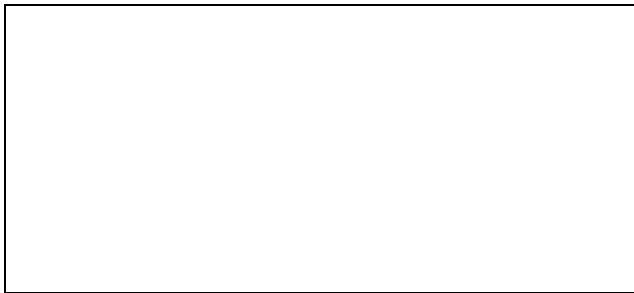

Topic: _____

1.

2.

3.
