Activity 2

CHAPTERS 1–3 Science Jeopardy

Goal • Use this activity to review science topics.

## What to Do

In the space below, write the topic you want to review. Then write 5 review questions and answers for the topic. Work with three other students and take turns quizzing each other.

Review Topic: \_\_\_\_\_

| Answer:   |
|-----------|
|           |
|           |
|           |
|           |
| Question: |
|           |
|           |
|           |
| Answer:   |
| Aliswei.  |
|           |
|           |
|           |
| Question: |
| Question. |
|           |
|           |
|           |
| Answer:   |
|           |
|           |
|           |
|           |
| Question: |
|           |
|           |
|           |
| Answer:   |
| Aliswei.  |
|           |
|           |
|           |
| Question: |
| Question. |
|           |
|           |
|           |
| Answer:   |
|           |
|           |
|           |
|           |
| Question: |
| -         |
|           |
|           |
