BLM 1-9

Section 1.2 Achievement Check Rubric

Category	Level 1	Level 2	Level 3	Level 4
Knowledge and Understanding • Perform area and volume calculations for circles and cylinders.	Demonstrates limited understanding of area and volume calculations.	Demonstrates some understanding of area and volume calculations.	Demonstrates considerable understanding of area and volume calculations.	Demonstrates thorough understanding of area and volume calculations.
ThinkingPrepare a plan to solve the problem.Carry out the plan.	Needs extensive assistance to begin organizing a plan and needs clearly laid out steps to follow.	Needs some assistance to begin organizing a plan and needs some steps to follow.	Needs minimal assistance to organize and implement an effective strategy.	Needs no assistance to organize and implement an effective strategy.
 Communication Clear explanations and full justifications. Correct use of mathematical language. 	Does not clearly explain or justify solution. Maintains the correct units in some of the solution.	Explains and justifies solution somewhat. Maintains the correct units throughout most of the solution.	Explains and justifies solution fully. Maintains the correct units throughout the solution.	Explains, justifies, and shows insight into the complexities of the solution. Maintains the correct units throughout the solution.
Application • Recognize component shapes in figure and apply area and volume formulas.	Interprets the information ineffectively and has difficulty finding volume.	Interprets the information somewhat effectively and has difficulty finding volume.	Interprets the information with considerable effectiveness and has little difficulty finding volume.	Interprets the information with a high degree of effectiveness and has no difficulty finding volume.
