Unit 4 Project Checklist

I Need To ...
<input type="checkbox"/> choose a mathematics topic from Unit 4 that is of interest to me
<input type="checkbox"/> decide on a format that I will use to present my chosen topic to others—a video, slide show, song, or piece of artwork
<input type="checkbox"/> decide on the important details of the concept I have chosen, and explain why I have chosen this concept
<input type="checkbox"/> include a title for the piece I am presenting
<input type="checkbox"/> explain how the mathematics concept may be applied in real-world or problem situations
<input type="checkbox"/> give classmates an opportunity to provide feedback on my presentation and material
