

## TIME LINES FOR *PRE-CALCULUS 11*

The chart below shows estimated times, in minutes, for covering the material in *Pre-Calculus 11*. Please note that times will vary depending on your particular class and its individual students.

Also note that there are alternative ways to cover and assess many outcomes. For example, student achievement of unit outcomes can be checked by having students do the unit review and unit test, or, more holistically, by having students complete the unit project, or by doing a combination of these things.
