

## BLM 15.1

### APPLY TOULMIN'S ARGUMENT MODEL

Name: \_\_\_\_\_

#### **Instructions:**

Use Figure 15-7 on page 377 of your textbook for the description of each component of Toulmin's argument model. Choose one alternative medical treatment (see question 2, on page 379 of your textbook). Below, fill in the parts of your own argument regarding the efficacy of this alternative healing practice. Form a conclusion at the end.

**Data:**

**Claim:**

**Qualifiers:**

**Warrants:**

**Rebuttals:**

**Backing:**

Write down your conclusion about the efficacy of this alternative medical practice. Use the back of this page, if necessary:
