

## BLM 7.2

### INDUCTIVE LEARNING EXERCISE

Statements in Column A establish a rule. Statements in Column B break the rule established in Column A.

#### Questions:

1. What type of claims are made in Column A? What type of claims are made in Column B? Reading page 173 of your textbook may help you to answer this question.
2. Which statements in Column C fit the rule established in Column A? Which statements in Column C break the rule and are similar to the statements made in Column B?

<b>Column A</b> Fits the rule	<b>Column B</b> Breaks the rule	<b>Column C</b> Tests the rule
Visitors should conduct themselves like the natives.	When pressure increases volume decreases.	Apply paint to dry surfaces.
Never swear at your students.	An oak is a deciduous, broad leaf tree.	Charity is a kindness.
Act normally when you're undergoing inspection	Toronto is the capital of Ontario.	Granite is an igneous rock.
Be honest.	Liquid water (H <sub>2</sub> O) turns solid under sub-zero temperatures.	Television is to blame for the moral decline of the West.
You ought to care about the feelings of others.	The economic depression was the reason for the war.	Do good.
Cook meat thoroughly.	Uncooked meat is dangerous.	Meat is murder.
Buy fair trade coffee.	Caffeine causes wakefulness.	Coffee exportation has proven harmful to the economies of many developing countries.
Be fair.	Fairness and justice are virtues.	Jasmine is fair.

**Think/Pair/Share Activity:** With a partner, create two examples that fit the rule for Column A and two examples that break the rule and fit with Column B.
