Accommodations

Gifted and Enrichment—ask students to prepare a poster showing the steps for using the TCM solver to determine monthly payments. This could be displayed in the classroom for others to refer to on the test.

Motor—allow extra time and assist with recording of calculations

Language—allow partner work during review to ensure students understand what they are being asked to do. Have them provide some responses orally to check for comprehension. Allow oral responses on the test.

Memory—allow use of cue cards to help students recall important facts and terms
