- Provide an opportunity for students to discuss any questions involving strategies or concepts they find difficult.
- After they complete the Chapters 1 to 3 Review, encourage students to discuss any questions, consider alternative strategies, and ask about questions they find difficult.
- You may wish to use **BLM A-13 Self-Assessment Recording Sheet** or **BLM A-14 Self-Assessment Checklist** to help students assess their understanding.

## Ongoing Assessment

- This is an opportunity for students to assess themselves by completing selected questions and checking their answers against the answers in the back of the student text. They can then revisit any questions with which they had difficulty.
- Upon completing the Chapters 1 to 3 Review, students can answer questions, such as:
  - Did you work by yourself or with others?
  - What questions did you find easy? difficult? Why?
  - How often did you have to check the related Example in the student text to help you with questions? For which questions was this necessary?
