Stoop and Scoop

This worksheet will help you complete the Science and Literacy Link on page 246.

Research the by-laws in your community about picking up after your pet. Find out how to protect yourself and others from disease.

- 1.** Why should people clean up after their pets? Use point-form notes.

- 2.** In point form, outline the regulations in your community that protect people from contacting parasites in animal waste.

- 3.** Write two or three questions that you would like to ask about this topic.
Record the answers on the back of the page.

a) _____

b) _____

c) _____

- 4.** Use your notes to create a poster that promotes cleaning up after your pet.
Explain why stooping and scooping is important to protect public health.
Check off each tip as you use it.

- ☐ Give it a title.
- ☐ Use pictures and colours to get people's attention.
- ☐ Use few words.
- ☐ Combine pictures and words to give the message.

- 5.** Sketch your poster on a blank sheet of paper.
