# **Worm Composting**

Use this worksheet to help you complete the Science and Literacy Link on page 241.

**1. Explore web sites.**

- Study the pictures and read the titles and subtitles to get an idea of the content.
- Look for information to answer the following questions. Use point-form notes.

**a)** How does composting work to break down matter?

---

---

**b)** What do you need to provide to make composting work properly?

---

---

**c)** What role do worms play in a composter?

---

---

**d)** List three advantages of composting.

---

---

---

**2. Use your notes to make a brochure that promotes worm composting. Check off each tip as you use it.**

- ☐ Give the cover a title.
- ☐ Use a heading for each part of the brochure.
- ☐ Use pictures and colours to get people's attention.
- ☐ Combine picture and words to give the message.
