2. premium
3. utilities
4. fixed term
5. unit price
6. tenancy agreement
7. parties
8. lease
9. recipient
10. deposit
11. lessee
12. post-dated cheque
13. lessor
14. tenant
15. issuer

## BLM 3-5 Chapter 3 Test

1. Answers will vary. Possible responses include condominiums, basement apartments, and townhouses.
2. a) \$800  
b) \$22.86  
c) Answers will vary. Example: An apartment in the downtown area rents for \$800 per month.

3. 27%
4. a) \$576  
b) He could find a part-time job to earn more money, or he could find a roommate to split the cost of rent.
5. \$1340.30
6. a) \$1730  
b)

7. a) Answers are in italics.

Item	Package and Price	Unit Price
Paper Plates	\$1.99 for 25	<i>\$1.99 for 25</i>
	\$3.79 for 75	<i>\$1.26 for 25</i>
Vegetable Tray	\$15.99 for 500 g	<i>\$15.99 per 500 g</i>
	\$21.99 for 1000 g	<i>\$11.00 per 500 g</i>
Napkins	99¢ for 50	<i>99¢ for 50</i>
	\$3.99 for 300	<i>67¢ for 50</i>

- b) Answers will vary. Example: Amir is inviting 10 people to his housewarming party. He doesn't need more than 25 plates, so should buy the 25 plates for \$1.99 and the 50 napkins for \$0.99. Amir's friends have good appetites; he should buy the \$21.99 vegetable tray since it has the lower unit price.

## BLM 3-6 Chapter 3 Task

Answers will vary. Examples are provided.

1. Answers are in italics.

Weekly Gross Income	Weekly Net Income (Assume 85% of Gross Income)	Monthly Net Income (Assume a 4-Pay Month)
\$456	\$387.60	<i>\$1550.40</i>

2. Answers will vary. An example is provided.  
\$390. I would spend this because it is around 25% of my monthly income.
3. Answers will vary. Encourage students to examine accommodations in different areas of their community that meet their needs, including price and amenities.
4. Is there parking available? Where can I do my laundry? Where is the closest grocery store?
5. a) Answers will vary. Possible responses include paying the rent on time, maintaining the normal cleanliness of the apartment, and ensuring my guests do not interfere with the use of the property by other tenants.  
b) Answers will vary. Possible responses include ensuring the unit and building are in a good state of repair and providing heat in the winter.
6. a) Answers will vary. Students should consider items that they have personally purchased (for example, clothing, electronics, books and movies, etc.) as well as some furniture items (for example, bed and desk).  
b) Answers will vary. Example:

Task	Estimated Cost
Forward mail from old address	\$60
Send Change of Address notice to family, friends, and businesses	\$30
Connect services such as cable, telephone, and Internet	\$30
Purchase packing supplies such as boxes and tape	\$30
Plan a driving route for moving day	\$ 0
Arrange for storage of large items	\$ 0
Have new furniture delivered	\$80
Become familiar with new neighbourhood	\$ 0

7. Answers will vary. Example:

Item	How Soon Needed
Microwave	Immediately
Coffee maker	Soon
Toaster	Immediately
Kitchen table	Immediately
Couch	Soon
Chairs	Immediately
Television	Immediately
Entertainment unit	Soon

8. a) Utilities: \$150; parking: \$25; phone: \$30; savings: \$150; laundry: \$25; groceries: \$200; entertainment: \$70; cable: \$50; car payment: \$260.  
b) \$960
9. a) \$200.40  
b) Answers will vary. Example: I could spend less on entertainment, or buy a less expensive cable package.
10. Answers will vary. Example: I could do odd jobs to earn more money, or find a roommate.
