Practice Researching Accommodations Online

These questions provide extra practice for the Tech Tip on pages 84–85. Use the Internet and various Web sites to answer the questions.

1. Go to the search engine of your choice.

- Type "rent" and the name of your town/city.
- If you live in a small community, you may need to enter the name of the closest city.
- Select a web site different from the one you used when you did the Tech Tip in the student resource. Go to that site and begin your search.

Name of town/city: _____

Web site used: _____

2. a) Use a basic or advanced search to find 3 places that have some or all of the following:

- 2 bedrooms
- easy access to public transit
- shopping nearby

b) Complete the chart. Include whether or not the place meets the criteria from part a), other interesting information, and the monthly rent.
