

## CHAPTER 2

## HANDOUT

# The Hydrologic Cycle Activity

## BLM 2.1.2

Answer the following questions in the space provided.

1. Fill in the missing information in the above diagram.
2. Describe the processes involved in the hydrologic cycle in a brief paragraph, beginning and ending with water storage in the atmosphere.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
