

Practice: Investigate Measurement Concepts

1. A rectangle has perimeter 18 units.

a) Copy and complete the table.

Rectangle	Width	Length	Perimeter	Area
1			18	
2			18	
3			18	
4			18	

b) Draw each rectangle on grid paper.

2. A rectangle has perimeter 22 units.

a) Copy and complete the table.

Rectangle	Width	Length	Perimeter	Area
1			22	
2			22	
3			22	
4			22	

b) Draw each rectangle on grid paper.

3. A rectangle has area 24 square units.

a) Copy and complete the table.

Rectangle	Width	Length	Perimeter	Area
1				24
2				24
3				24
4				24

b) Draw each rectangle on grid paper.

4. A rectangle has area 12 square units.

a) Copy and complete the table.

Rectangle	Width	Length	Perimeter	Area
1				12
2				12
3				12
4				12

b) Draw each rectangle on grid paper.
