Section 12.4 Extra Practice

1. Which shapes can be used to create an Escher-style tessellation? Justify your
choices.
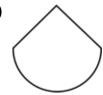

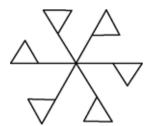

a)

b)

c)

2. For each tessellation below,
  • tell what polygon was used to create the tessellation
 • tell which transformation was used to create the tessellation

a)

b)

c)

3. Research facts about M.C. Escher. For example:
  • Where was he born?
  • In which country did he live while he was creating his art?
  • Is he still alive?
    Write a paragraph about Escher and his work.
