

Name: _____

Date: _____

Section 1.2 Math Link

This worksheet will help you with the Math Link on page 27.

1. Search the Internet, magazines, or newspapers for data about music sales for different artists.

a) Write the name of the artist(s) you have chosen to research.

b) Record details about the data you collected. Use at least three sources. Include information about each source.

Source	Information

c) Choose an argument to make about music sales based on the data you collected.

2. a) Draw a graph that supports your argument.

b) Write the opposite of your argument.

c) How would you change the graph to support your argument in part b)?
