

Name: _____

Date: _____

BLM 5-7

Section 5.1 Math Link

This worksheet will help you with the Math Link on page 169.

1. Choose one of the essential buildings that you discussed for your new community in the Math Link introduction on page 163.

Name of building _____

Part of the community _____

Shapes of faces _____

2. Sketch a 3-D view of the building or find an object in your classroom that has the same shape as your building and sketch it.

3. Draw and label the front, side, and top view of your building.

Front

Side
