Date: _____

Organize Mr. Jansen's Class Flag

Use the blank below to organize the information about Mr. Jansen's class.

1. How many girls are in Mr. Jansen's class? _____

How many boys? _____

Use two different colours to represent the fraction of boys and girls on this flag.

2. Write down the other information you know about Mr. Jansen's class. Show any calculations. Include that information on the class flag.

Makeup of Mr. Jansen's Class	# of Boys	# of Girls
Students in the band		
Students who play the flute		
Students who play rugby		

3. Use symbols of your choice to show these fractions on the flag.
