## Chapter 7 Math Link: Wrap It Up!

This worksheet will help you with the Wrap It Up! on page 281.

Complete the following steps for each of the three park features.

- 1.** What shape will you use for this park feature?
  
- 2.** What will be the dimensions of this park feature?
  
- 3.** How deep do you want the material (bark mulch, sand, or water) to be? Give this measurement in metres.
  
- 4.** Draw the park feature on scrap paper first. Label all dimensions. Then, make a good copy.
  
- 5.** What is the base area of your park feature?
  
- 6.** What volume of material does the park feature require to fill it? Express your answer in cubic metres.
  
- 7. a)** Choose a variable for one of the dimensions.  
  
**b)** Represent the area with a polynomial expression, using a variable for one of the expressions.  
  
**c)** Represent the volume with a polynomial expression, using a variable for one of the expressions.
