CHAPTER 1**HANDOUT****Lighten Up!****BLM 1-6**

Goal • Use the following table to record your observations during Conduct an Investigation 1-E: Lighten Up!

What to Do

Make a prediction and then record your observations as you conduct the investigation.

Prediction: If a test material allows the flow of electricity, I expect to see:

Table Title: _____

Solid Test Materials							Liquid Test Materials			
	No item	Glass	Silk	Wood	Penny	Nickel	Tap water	Lemon juice	Salt-water solution	Baking-soda solution
Predict: Will the electricity flow?										
Results
