

Chapter 4 Wrap It Up!

This worksheet will help you with the Chapter 4 Wrap It Up! on page 149.

Create a poster reporting on how fractions, decimals, and percents are used in the media.

1. Use the checklist to help you complete your poster. Check off each item as you do it.

My Poster Includes	Completed
a) a catchy heading	<input type="checkbox"/>
b) one or more visuals	<input type="checkbox"/>
c) three or more headlines	<input type="checkbox"/>
d) an analysis of how each headline attracts readers	<input type="checkbox"/>

2. What story do you want your poster to tell?

3. How can you attract reader attention?

4. When is it better to use decimals? fractions? percents?
