

Chapter 2 Self-Assessment

← RED

← YELLOW

← GREEN

I have not started moving in this area.

I am moving along with caution in this area.

I am moving along confidently in this area.

BEFORE	DURING (What I can do if I mark yellow or red.)	AFTER (Proof that I can do this.)
2.1		
 I can use estimation to check if sums are reasonable.		
 I can use front-end estimation to place the decimal in a sum.		
 I can use estimation to check if differences are reasonable.		
 I can use front-end estimation to place the decimal in a difference.		
 I can solve problems using addition of decimal numbers.		
 I can solve problems using subtraction of decimal numbers.		
2.2		
 I can use estimation to place a decimal point in a product.		
 I can multiply decimal numbers with a calculator.		

Name: _____

Date: _____

BLM 2-1
(continued)

 I can multiply decimal numbers without a calculator.		
 I can solve problems using estimation and multiplication of decimal numbers.		
<p>2.3</p>		
 I can use estimation to place a decimal point in a quotient.		
 I can divide decimal numbers with a calculator.		
 I can divide decimal numbers without a calculator.		
 I can solve problems using estimation and division of decimal numbers.		
<p>2.4</p>		
 I can use the order of operations with decimal numbers.		
 I can solve problems using operations on decimals to the thousandth's place.
