Geometry and Measurement

1. Predict which angle has a measure of about 75°. Check your prediction by measuring the angle.

a)

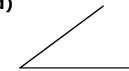

o)

C)

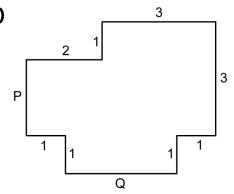

d)

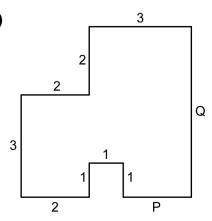

2. In each diagram, all angles are right angles. Find the missing lengths for P and Q.

a)

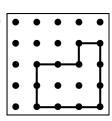

b)

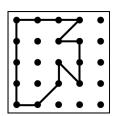

3. Find the area for each shape by counting all the unit squares and half squares.

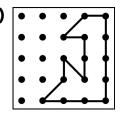

a)

b)

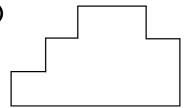

C

4. Measure to find the area of the following shapes. Give your answers in square centimetres.

a)

b)
