

Section 3.3 Extra Practice

1. Fill in the blanks to complete these sentences. The first letter of each missing word has been provided.

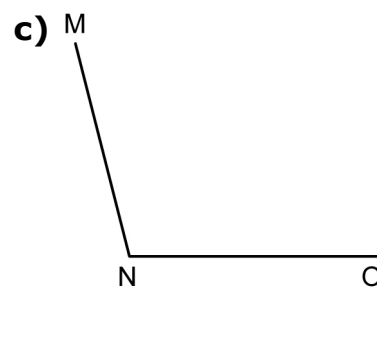

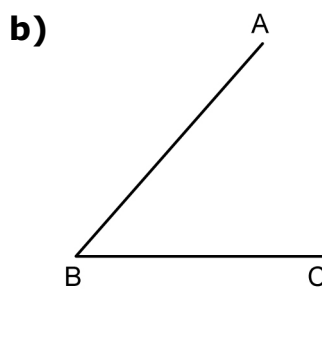

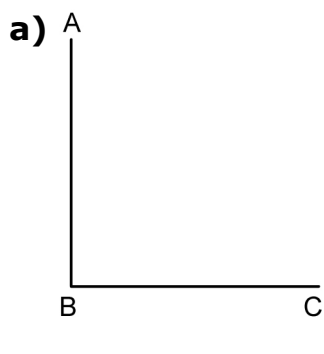

An a _____ b _____ divides an angle into two e _____ parts.

An angle that is less than 90° is called an a _____ angle.

An angle that is 90° is called a r _____ angle.

An angle that is greater than 90° and less than 180° is called an o _____ angle.

2. In each blank, write whether the angle is an acute, obtuse, or right angle.

3. Measure each angle. Write the measure in the blank. Then use a protractor, ruler, and pencil to bisect the angles.
