

Chapter 9 Wrap It Up!

This worksheet will help you with the Chapter 9 Wrap It Up! on page 345.

The table shows the plus/minus scores for Jarome Iginla in four of his seasons with the Calgary Flames.

Season	Plus/Minus Score
2000-2001	-2
2001-2002	+27
2002-2003	-10
2003-2004	+21

Write a number statement for each problem and then solve it. You can use integer chips or number lines to help.

1. What was the total of Jarome's plus/minus scores for the following seasons?

a) 2000-2001 and 2001-2002

2000-2001 _____

2001-2002 _____

The word *total* tells me to _____.

b) 2002-2003 and 2003-2004

c) all four seasons shown in the table

2. Calculate and explain the difference between Jarome's plus/minus scores for the 2002-2003 and 2003-2004 seasons.

2002-2003 _____

2003-2004 _____

The word *difference* tells me to _____.

3. Research the plus/minus scores for a hockey player of your choice. Describe how you could use the plus/minus scores to measure the hockey player's performance.
