Chapter 1 Project Checklist

Basic Outline

- ☐ Select which recipes to use.
- ☐ Research online, by asking a caterer, or by estimation, the proportional amounts of each recipe needed to serve 30 people.
- ☐ Find conversion factors for the amounts involved in each recipe.
- ☐ Research local prices and online prices in the U.S. and record your results in table form.
- ☐ Create a budget to serve 30 people for no more than \$250.
